

ARTIST BOAT CANCELLATION AND FEE POLICY

Customer must provide 24-hour notice to cancel an Eco-Art Adventure in order to receive a refund for their money (except for a \$10.00 processing fee).

Rain check: Artist Boat personnel will be present for the Eco-Art Adventure regardless of weather, with the exception of hurricanes. Should there be tornadoes, thunder, lightning, extreme winds, or rains that are too intense; the Eco-Art Adventure will be cancelled and a rain check that may be used for any future scheduled date will be issued to customers. Should a participant be concerned about the weather forecast, they should cancel within **24 hours** prior to the Eco-Art Adventure. It is important to keep in mind that Galveston Bay is 600 square miles, and weather in Houston is not necessarily an indication of weather in other areas of Galveston Bay.
